PAUL JOHNSON was the winner of the **BERYL COX MEMORIAL DAY TROPHY**
Congratulations Paul

SHE'S BAAAACCKKK!

After 5 long months of sitting on the couch with her injuries after her fall on the course our Barb is back! Here she is getting the runner up prize on Beryl's Day. I know Beryl would be very happy as is Reg! Well done Barb!

A good crowd turned out for Beryl's Memorial Day, there was a cheer for Beryl & also Reg who put on snacks for the members as well. Reg has sponsored for quite a few years now, but this was his last year. Many thanks to you for your patronage Reg, the members always appreciated the day.

SICK BAY

Some good news for a change!
 Sarge is on the mend after all his treatment & we hope to see him back soon.

Has anyone got word on how Ray Henderson is going. Would like to give a shout out to him.

The Big Three

Johnathan
 Cameron
 Billy

Simply the best!

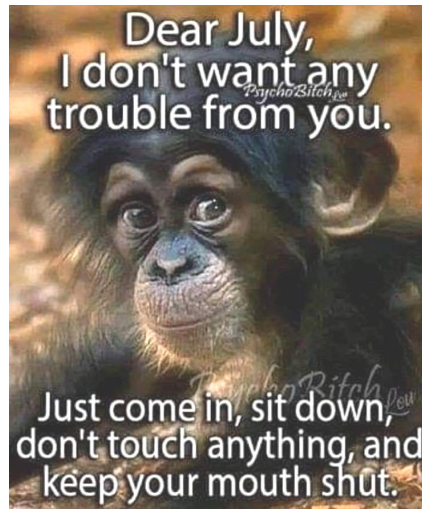

This is one little frog who doesn't look cold unlike us hoomans who had a big freeze last month! And it is continuing this month too!

Not much to talk about as far as golf goes at the beginning of this month with all the rain. But it will clear..... eventually!

Yeah right, here it comes again! 😊

"YEAH, MAYBE THE COURSE IS STILL A LITTLE TOO WET TO PLAY ON!"

This little guy was supposed to appear last month but he missed the cut. But he is so cute I decided to give him another chance. He reminds me of someone, how about you? Hmmm, no ideas. Ok we'll leave it for now!!

EAGLE

Ray Suter eagled the 2/11 hole recently. I do believe it was a thing of beauty.....according to Ray!

Well done Ray!

How good is this kitchenette.

The renovations are in top gear with more to come.

The dollars are being well spent people!

Wow what a great job John Francis has done with the kitchenette. It looks stunning! No need to go into the kitchen now, there is everything there at your disposal. John has also installed a proper pantry where the old one was. All neat & tidy. You are a marvel John! Thank you! We have so many good, clever people at our Club, it's never looked better, inside or out! The verandahs are almost done they will be sensational Neil has put a lot of time into organising these renovations. Great work to all involved.

STATISTICS - 2022

Wednesday	62	-21	83

Well the statistics are in & the numbers are not that exciting for some but the weather did play it's part. The stand out was the Vets who only had 3 days numbers counted. Sundays had 6 days to boost their numbers, the Ladies have been having problems too with the weather. Fridays have had their numbers down because of the flooding on the course, but are fighting back. Wednesday numbers are down on last month.

JULY MONTHLY MEDAL WINNERS

What an addition!

The finished verandah being toasted by the President Ian Anderson, Elton John & John Francis in the foreground with Chris Bush & Ray Crosby on the right taking in the unhindered view through the glass panels!

Missing from the picture is Neil Clarke who made it possible by his grant application & Mike Drew who let go of the purse strings long enough to let it happen. Great work men!

MARYBURRUM VETS TROPHY DAY @ MARYBOROUGH

Tuesday 12th July 2022

GO THE MIGHTY BURRUM !

We Won!

It was a cold, miserable wet day with the rain beating down relentlessly but the fighting spirit of the Mighty Burrum came to the fore! Wasn't a lot of that said though! We had 30 of our members down to play but 4 of them chickened out.

Mr Smooth in his Japanese riding boots

We have our Captain Kevin Leader, the M'borough Vets President Bronwyn Christiansen & Captain Craig Botting accepting the fact that we won, again!

Lorraine Drew wasn't keen to get wet she refused to get out of the car!

Yep I know Kev we will never rear her! She was really pointing out her two sore fingers??!

4 intrepid Burrum players finished the 18 holes not sure whether they were brave or demented! They were Kevin & Jan Leader, Francis McGovern & Sue Berkery. Even so, they got us over the line so, they did good!

Kevin Leader won the men's, Jan leader & Sue Berkery were in the ball rundown. Pin Shots went to Les Bennett, Chris Bush & Jan Leader.

Raffle Prizes etc; Stretch won a bottle of Bundy Rum & \$5 in the money board. Some of our unscrupulous members tried to claim it but Mr Honesty aka Kerry Styles took control of it. We think it's safe Stretch! Mind you Kerry got a lift down with Kevin & Kev's heater wasn't working so the Rum might have got a hit on the way home!

I have to own up to the following because there were some who saw what happened. I needed to go to the loo so when we got to the 10th I made a run for it, got in the door & realized I was in the men's changing room. So I raced around to the other door ran in & all there was were urinals, the penny dropped I had made a blunder, I said ok fellas put em away & I bolted out the door, to many laughs from outside. How embarrassment.

It was a fun day even though the weather was unkind. It's our turn next year so don't miss it!

Billy & his boys did it, they took the decider against a ferocious side. Just as well our maroons know how to play football unlike the brawling blues who would be best served in a boxing ring. Our boys did it the only way they knew, they played football!

Top marks to Billy Slater, Cameron Smith & Johnno Thurstan
Go the Maroons!

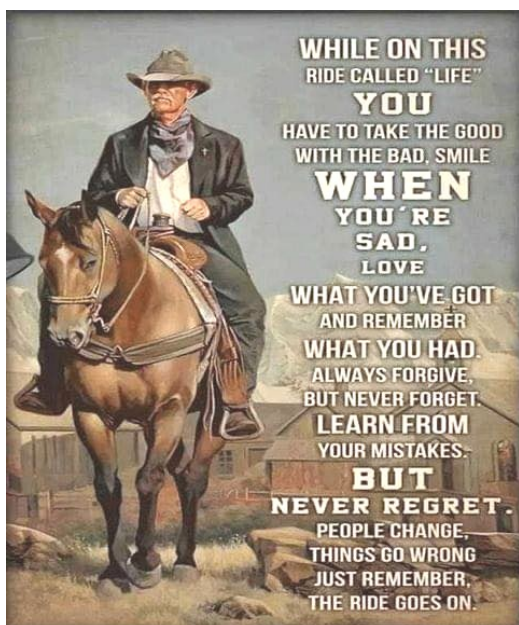

What a move by Ben Hunt! When he took that ball off the ponce Cleary & ran that 80 metres to score how elated were we! So proud of them, they had to try not to counter the brawling blues & play football it was hard I grant you but good common sense showed the way even though the temptation was there but they regrouped & showed those cockroaches how it's done! I have to admit I didn't watch it all the way, I was too uptight but the best news was WE WON & sent the brawling blues packing. Take note Fittler the old days of busting heads are gone, a good footballer will out play a boofhead any day & the Maroons showed that once more!

So proud of our team! They acquitted themselves well. They know there is a great team behind them in Billy, Cameron & Johnno and the whole of Queensland is right with them!

Catch me if you can says **BEN HUNT**

Everyone one of our boys deserves an accolade for a job well done! It was a **22 - 12 WIN**
Such great moments from so many!

Nothing to do with golf I know, but it is such great words that we should all follow.

SERVERY WINDOW

John Francis is pictured with another fantastic piece of wood art he has made.
The Servery has been installed by John he is so clever with wood.
Nice work!
Les Bennett was the first of many to use it.

All stories are printed in a light hearted manner, they should be taken in that context. This publication is meant for the fun & enjoyment of all members & no offence is ever intended. CB.

I won the **COALFEST 1ST PRIZE - RAFFLE** Shown at left & below.

Many thanks to Pamela for ringing me to give me the good news! Hubby Les picked it up after playing golf. No, he wasn't one of the prizes even though he reckons he is!

The cockatoo statue was soo heavy but he will be doing guard duty as my old man emu is... no, not Les.

The camel was carved with a chain saw so Danielle told Les, it is beautiful he is on the verandah for now, truly a thing of beauty.

A carton of beer & a bottle of cabernet merlot a high quality cooler bag & a kiddy bag too.

Then there were several vouchers from Van Cootens, Bamboo land, Howard Bakery, My Magical Mess & the Chook Scratcher Excavation. What a pleasant surprise & what great vouchers.

Thank you to all the volunteers who worked so hard to make the Coalfest a success!

I was a little disappointed that there wasn't a bit of coal in the prizes but I am very happy with what I did get!

Many thanks to Cathy Francis for selling me the winning ticket, good girl Cath!

A GOLFER'S SAD STORY

A very sad story, but one most will recognize as happening some time in their life of golf! Our man hit off the 5th tee the ball launched into the air, it was a beautiful sight gathering distance, apparently too much distance because when it came to finding said ball it was nowhere to be found. So you know the drill, back to the tee. It was a non event from there on. But later playing down the same dashed fairway he again lost sight of the ball, eventually finding it. Now at this moment I must say the ball in question has a large STRETCH in red around it so he knew it was his. What he didn't realise was that it was the ball he lost back on the same fairway on the 5th. His blood went cold when someone said here's your Optima ball, realizing he had found & hit the wrong ball, so with penalty it was a long, long fairway left to finish. Sounds about right Stretch? I left the part out where you were crying like a baby. Doesn't go with the position mate!

A TOUCH OF CLASS/ GLASS!

A very pretty picture of the Club House, the only thing missing is the **AUSTRALIAN FLAG!**

She did it again, won the daily prize with a 70nett.
Great effort congratulations Barb Brian!

CHAMPION!

Another Australian Champion has come through to win the Claret Jug at the British Open.

Congratulations Cameron Smith a proud true Aussie.

Never a bad word to be said about him.
He carried himself like a true Aussie!

It was a gorgeous day, the sun was shining & the people were happy. We had 7 clubs visiting for our Open Day, Bargara, Maryborough, Gin Gin, Hervey Bay, Mundubbera, Gayndah, Fraser Lakes & our own ever faithful members! A great day had by all!

OUTSIDE DINING

These diners had the best seat in the house, what a view absolutely no restriction with the glass paneling. It will be a favourite spot in future. A delightful space.

We have here the workers of the team, the committee, of Kerry, Marilyn, Kevin & Stretch. They did a great job. The day went off without a hitch. There were 70 players who had a great day, congratulations on a job well done!

The other workers on the day are the Bar Staff of David & Danielle, these two were excellent in keeping everyone well watered.

Phyllis & Cathy served up a 2 course lunch which was delicious.

They told me this bloke took 3 shots to get past the ladies tee! He took the pin shot on 9 with a foot to putt & you guessed it he missed it! Twice!

Major Winner G Kratze

Some of the crowd waiting for lunch which was a scrumptious chicken & ham with salad combo. Followed by dessert of cake sponge or carrot with ice cream. Yummo!

This is Jan she let her hubby come out to play, his name is Kevin he is our Captain & a damn good one at that!

One was a winner the other not so much. Barb is in the mix! Les needs work! But they did enjoy themselves even so.

This lady was responsible for the delicious scones made on the day for all to enjoy. Our own Merle aka Fantasea!

CONGRATULATIONS

The day went off without a hitch no orphans were reported the cards were done without any hiccups & all was right. What an accomplishment Congratulations Kev you & your Committee worked well to pull off the best day in a long time.

The Vets Day was so successful that Kevin had to knock back 30 nominations which was a shame. A timely reminder people to get your nominations in early.

An update from Neil Clarke our Grants coordinator

CLUBHOUSE RENOVATION COMPLETED

Gone are the rusted posts and stair stringers, rotten railings and split and decaying step treads at last.

Exterior

A specialist Steel fabrication engineer was contracted to repair steel posts and stair stringers. All steps treads were replaced, the steps were widened and compliance balustrading was fitted. And of course the toughen glass pool type balustrading on the Veranda.

Lloyds and Hardin were the contracted builders. Grant Lloyd the company principal and his team of Josh. Alex and Ruth have been members of our club for the last 3 years.

Interior

Scope of works included new energy efficient lights, new ducts, covers and switches for both presentation area and the upstairs toilets.

A member's kitchen was installed along the back wall along with hot and cold water. New tap ware was also fitted to the vanities in the toilet area. A large pantry type cupboard was added to the corner. The presentation area and the toilets have been repainted.

Grant money and Club funds were used to make this happen along with voluntary labour provided by John Francis (cabinetry work) and Neil Clarke (painting).

**The Club acknowledges and appreciates the grant of \$35,000 plus GST
From the State Gambling Community Benefit Fund**

**Department of Sport and Recreation
Active Club Program Grant of \$2,000 plus GST
Is acknowledged and appreciated.**

These funds were spent on new tee markers, practice green markers with handles, more sand buckets and new rack heads.
