Good to see Stretch made it even though he did arrive in his pyjamas!

Sue Berkery won the decorated buggy award. Maybe a message there, with one horse red & one blue! State of Origin theme perhaps!

Angus got the accolade, so off with the wet shirt. !

Best dressed male went to Angus Guild above.

Staff of good life

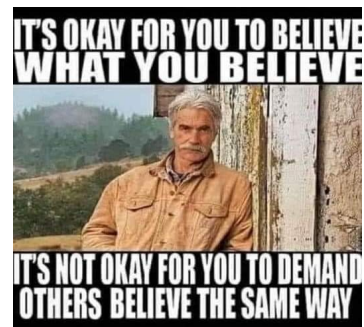

Our Gang!

NEW MEMBERS

James Armstrong

Steve Hewitt

30 people made it for the lunch only a very few actually played golf & got absolutely drowned for their troubles. Who were they? you'll find out once the coughing & barking starts.

BUNKER TIME!

Barb Brian went in on 6 getting harder to get out these days!

Mal Learmonth was in & out of the 6th bunker, the ball seemed to say ohoh don't go in there, alleyoop go higher bro!

Barb Brian did the same in the 5th bunker, her ball decided she wasn't going to lie down she pulled up her casing & said we be outta here girlfriend!

We did have a ball out there with Mal, Barb & meself so much so that Cap'n Kevin said to Barb & I that he heard us laughing out on course, you know what that means he said, we asked what the penalty is he replied you have to do it again next week! Aye, aye Cap'n your wish is our command!

I have never seen so many near misses & just plain good & bad luck as I did with Mal & Barb, some were downright spooky.

SPOOKY TAKE 1

On the other hand I was doing very well until I lost my ball on the 2/11 fairway which can happen but it was on the #%*@+! fairway & it just disappeared & it was my favourite ball, a Titleist, *they* just don't disappear, or do they!

Doodooooooooooooo!

SPOOKY TAKE 2

The 2/11 fairway has been up to no good once more, this time it was John Ingledue who lost his ball. But wait there's more! Stretch lost his too, so it is a common fate that can befall us all.

Be aware & be very afraid!

WAITTHERE'S MORE!

SPOOKY TAKE 3

Another ball was taken from the fairway, this time Nev Cooper's ball was taken, Bob Dillue said he had watched it till it came to rest on fairway & then when they went down it was gone! Is it the ghost of past members? Methinks yes, we lost a couple in that area, we didn't let Les be taken though eh, Peter's G, H, C.

BELIEVE IT OR NOT

Griffo lost his ball over the fence on 1/10 😊 courtesy of Bushy. It was all gentlemanly, just a thanks mate it deserved it, was uttered! No talking of spookies here..... yet!

SICK BAY

Sarge is still battling on, he was in the Wesley Hospital in Brisbane, now back in Hervey Bay at the moment. He still has an issue with no feeling in his legs & feet. He sounds upbeat but he is a battler so it goes with the territory. A neuro surgeon is being brought in. Best of luck Sarge we are hoping for the best for you.

Buddy Lohmann was let out of sick bay for a game of golf, his mate Graeme Burgess stole him away to enjoy the outside. You are a good man Gra Gra!

Bill Brand was another out on day leave from sick bay, he went the full 18 holes too!

Buddy Lohmann has been given a date for his open heart surgery in mid January 2023. His lovely wife informed me, but they will both be at the break up party for the vets which is nice so everyone will know what a great wife he has. Remember behind every great man is a greater woman!

If you are caught on a golf course during a storm and are afraid of lightning, hold up a 1-iron. Not even God can hit a 1-iron.

Chris Bush & Peter Griffin had a terrible time finding their ball on Sunday the balls had a way of getting lost on & off the fairway.

Mike Drew took the Captain's job on at the presentation & did a good job. He does need to project his voice though, he was drowned out by a couple having a very loud conversation at the bar even when asked to be silent. Can you believe how soft his voice was, when out on fairway you can't miss it!

THE NEW FAIRWAY

KEEP 'EM HIGH!

Looks a picture but is a devil to play on if you don't get the ball high. It will come good with mowing & such but remember to keep 'em high & off the ground!

What a difference a week makes there is a bit of run on ol' lumpy, it will get better though. 😊

New Award - Dummy Spit!

This could come in handy in the coming weeks so be aware...it could be you! Nominations are being taken now!

There were a couple but not going by hearsay like some, I will have to check it out first.

FAIL

It was nice of the former captain Andrew to make everyone in the clubhouse aware of the failings of 3 people who didn't qualify for the playoff in the Mug of Mugs. He was one, Tex Howard was another & meself. Misery loves company!

Mike Drew took the reins on Sunday, there was a bit of a groan but he said I have done this before! A bit of confusion as to who was in charge on the day too. All will be revealed after the AGM.

Heard a comment from a member about Dave Larder of who it was said he will be the next Club Champion. Quite the compliment! Could be a suck up to get a ride in his fancy cart too!

How about the girls 07 turned up to play golf but only 3 finished. The girls decided after 3 holes that a cuppa at Naughty Coffee was a better alternative! Is that where that name comes from?

Allan McGeorge is back at golf after being in sick bay, happy to see he is ok after treatment.

Jan Leader brought up the danger of the fairway markers & asked if they can be replaced with something that would absorb the energy of the ball so it cannot bounce back to the player.

PUTTS - HOW MANY

Tex Howard had 4 putts how many sets of I cannot say, it wouldn't be nice!

I need to share this with you it is so funny, no names, no pack drill!

"He was so slow it probably took him 2½ hours to watch 60 minutes!"

DAMN DAM

Mal Learmonth went in from the back 9.

Stretch spent some time in from the 5th!

HOW MANY

Mal Learmonth had a Bo Derek on the 5/14th.

There were a few big scores on 5/14 no one will admit to. I had a 9, still in shock from the 4th!

OUT OF BOUNDS

Mal Learmonth went over the fence & out of bounds on the 5th, he had 5 trees & a fence, said Barb Brian! He is a very nice man so not a swear word was heard out of him!

The mob next door was creating a helluva dust storm which was most uncomfortable for most of us. They did bring in a water cart but it was a little too little & a little too late. A bit of consideration would be nice.

Barb Brian, Brian Bramble & meself started out as a threesome but it wasn't to last. It started ok but then the trees started to take their toll. 4/13 wasn't helping much either. Barb hit my ball with such force that my initials were on her ball which explains why she hit the wrong ball. Brian had trouble too & wanted to pick up but being a stroke he couldn't. Anyway he persevered until the 9th fairway which was a shocker so he picked up his ball & went home. 'Some days are diamonds, some days are stone!'

TEE MARKERS

What is with the ladies tee markers on the 4th, who is responsible & why are they in a par 5 position *instead of par 4*. We cannot play it as a par 5 so why put them there. They have been in that position for 3 weeks now without any one putting them forward. The 6th tee was also in a wrong position too for the men but a male member moved them, the same could have been done for us. Admittedly we do have some big hitting *femme fatales* but not all are so.

"The enjoyment of golf depends a great deal on the co-operation, consideration, courtesy & honesty of all fellow golfers. This spirit of respect, towards one another is paramount. It should extend to the choice of dress & to the standard of conduct on the course, in the clubhouse, & while presenting yourself as a member of the club."

“You know what they say about big hitters... the woods are full of them.”

Could they have been speaking of Bushy & Griffo! Who were lost...ed most of the time.

If you find a ball on course or in a dam with a marker on it either give it to the owner or else mark it as your own. There was a little confusion out there on Sunday. Some say finders keepers but the original owner must be erased so as to avoid any confrontation. The odds are huge that you will be playing with the original owner sooner or later.

Many thanks to Angus Guild for these results. Top Job!

OH OH!

Griffo was doing pretty well on a Tuesday said Angus Guild I just don't know how to stop him. I said here & gave him a lolly, give it to him on next tee, ok he said it will elevate his blood sugar & then drop him. That's what I have been told. When we got there Angus was over near the 4th fair-way where his ball was. He did make it off the 5th tee.....just! I looked at him & said what happened, you ate the lolly didn't you yes he said with a sheepish grin, it broke Griffo up. The lolly was a werther by the way nothing sinister in it just elevates the blood sugar when feeling tired but it does drop you too if you're not careful. The look on Angus's face was priceless when I said you are a naughty boy.

PS Griffo won the day & Anguswell we won't discuss that.

Keep that brain working;

See if you can figure out what these seven words all have in common?

1. Banana, 2. Dresser, 3. Grammar, 4. Potato, 5. Revive, 6. Uneven, 7. Assess

Answer:

In all of the words listed, if you take the first letter, place it at the end of the word, and then spell the word backwards, it will be the same word.

Many thanks to Ted Hanson for this brain teaser.

The Vet's Captain & Vice Captain, Kevin & Marilyn have won the numbers race once more.

Congratulations on a job well done!

Many thanks to Angus Guild for restarting the Sunday AM results.

The Covid pandemic took a toll in 2020 but picked up in 2021 by 1,580 only to dip by a mere 514 in numbers this year. But take into consideration not all the December's numbers are in yet.

Should be interesting to see what 2023 brings.
