### SICK BAY

I am very sorry to hear of some of our lovely members who are having a real battle on their hands. Sarge Steven, Ray Henderson, & now Kevin Leader tells me Graeme Burgess is not in the best of health at present. He has had covid & he is not faring so well. He told Kev "I am 90 you know and all things must come to an end." Kev said we are not giving up on you so you must come back to us. Nice one Kevin, I am sure Graeme appreciates your words, the Vets do I am sure.

Barb Brian is still plodding on. It has been a long time for Barb, months in fact.

Sarge has been in the Wesley but he was paroled for good behaviour. It didn't last long he became very ill & is now in Hervey Bay hospital. He is waiting on a transfer to St Stephens in the near future.

Ray Henderson is another great member who is in HBH we are pulling for you Ray take care old mate, it's never over til it's over! Does anyone have any information on Ray Henderson? Surely the men who played with him have some idea as to how he is going. Let me know if you do know please. Thanks to Ian Brady he is in touch with Ray.

If you know of anyone who is having a hard time just drop me a line & I will put a good will message in for them. Or better still do as Kevin did and pick up the phone, nice gesture Kevvie!

It never fails to surprise me how when someone becomes ill they just fall off the radar with some. A phone call is virtually free & it can lift the spirits of the ill.

The cost is \$16 per person with lunch included.

It is a 9am hit off.

If you wish to hire a cart contact the  
Maryborough Golf Club on 4121 3765

**GO THE MIGHTY BURRUM !**

**!!!FOUND!!!**

A black Bluetooth headphone has been found on the course. Please collect from the bar if it belongs to you.

Adrian Reynolds won his grade pin shot with a birdie. Then Paul Johnson came along & went in for his 3rd shot as well so he got awarded the pin shot too!

The Vets had another great turnout with 32 players on course, it was nice to see our new members out on course. We have to be dedicated with playing such a silly game it was an American Foursome.... I cannot see the value in a game that states that partners both hit off, then they hit their partners ball & then pick the best ball & whoever owns that ball they hit that ball. Ok you following this? Then it become interesting because there were some who didn't follow that part of the rule, they decided to cut out the middle man & just go for the better ball without in some cases hitting from the tee. Confused? That's another word for it! Also if you don't hit the second shot you shave a shot from your total score. Canadian Foursomes yes, in a pinch, American Foursomes a definite no! It is a fun game they say, for who I ask. The day was very cool but warmed up by mid morning.

Don't forget the **MaryBurrum Vets Day on Tuesday 12th July**. It will be a fun day away to keep the shield at Burrum. Now we need as many as possible to show up, the Vets President & Captain really want to bring home the prize & we all want that too. A little bit of razzle dazzle never hurt anyone. For those of you who don't know where Maryborough is.....it's just down the road! Follow the road works, leave early because there are traffic lights working there with serious holdups.

### **DIAMONDS IN THE ROUGH!**

We are fortunate that we have the following members, whose combined ages, are 506 years, & they are still playing golf very well. Well done to the following! Graeme Burgess, Kathy Stevenson, Tex Howard, June Kerr, Ray Suter, Fred Goodall. June had been out of golf for awhile with some foot trouble!

*All stories are printed in a light hearted manner, they should be taken in that context. This publication is meant for the fun & enjoyment of all members & no offence is ever intended. CB.*

Our junior coach Adrian represented the club at under 8s day today at Howard State School. There's got to be a Minjee Lee or Cam Smith there or maybe a Matt Jones who played here in the ProAms. We also had a lot of young players who went on to become keen golfers one in particular is Jack Day who turned pro last year. A very good player! Both Jack & Dylan Beusel call in from time to time when their commitments allow. Lovely boys or I should say men

### **QUEENSLAND ROUND 1 WINNERS!**

### **HELP**

Adrian Reynolds is sending out an SOS for help with the kids, the lessons have become so popular it has become too much for one person. Adrian says you don't need to be a golfer just someone who can keep the kids in line while practising. The group has grown from 6 to 13 kids & more are showing an interest. So if you have any spare time to give a hand it would be appreciated by all concerned.

Adrian can be contacted on **0431 701 740**

Outta Sick Bay; Mike Dally is on his way back to play so let the fun begin, wasn't sick, just didn't want to get outta bed!

At left; Got a photo of him & his mate Francis!

This is one little frog who doesn't look cold unlike us hoomans who had a big freeze last month!

And wet it was still is around the dams, maybe it may be a good idea to enlarge the 9th dam or better still drop another one in. Surely something can be done so we don't waste the water. We all know what happens in the summer lets have something done about it now!

"YEAH, MAYBE THE COURSE IS STILL A LITTLE TOO WET TO PLAY ON!"

The fact there is a highway to hell, an only a stairway to heaven, says a lot about the anticipated traffic numbers.

There is talk that the Augusta National GC abolish the lifetime exemption rule and stop players like Sandy Lyle, Larry Mize, Fred Couples, et al from playing the Masters. An opinion piece in Golf Week. What do you think. As long as they don't wear their jim jams all is ok!

Barb Brian had her first hit today at Vets & did pretty good considering she hadn't played for 17 weeks since her horrific accident went she fell into the 4th dam breaking her arm & foot. Her team had to make her put the brakes on at times because she was so excited at having a game. Went off without a hitch but we won't mention the airey on 9 or the almost one on....no matter. Barb's friend & accomplice almost did the same it wasn't an airey but by golly it was close.

Chris Bush came roaring down the track towards the 3rd tee & came to a screeching? halt metres from the group in front. (More like 30 metres) It was so funny, here he was with a look of fear doing about 3klm an hour. Great fun Chris about time we had some fun out there! 😊

### COVID

Some of us have had the dreaded Covid but are well & truly over it now. As they said if you have had the jabs (2 & a booster) it's not so bad.

Speaking of our experience, we, like a lot of others thought it was a cold. We had decided before we had the positive test to stay home until we were all clear, hope you all do the same! Otherwise you may have a sign put alongside your name too! Very rude!

A Great Win, one down 2 to go!  
 Congratulations Billy Slater and his team for a job well done!

It was a very civilized first round game, just relying on talent for the most part. The next game will be interesting to say the least.  
 Go the Maroons!

How many sets were the blues given to help them win the game????

Was it was another let them through to make the third & final round more exciting & get bums on seats.

Not saying they didn't play their best footy but it was scrappy to say the least. At least up until I turned it off. Too painful to watch! Beware the wounded cane toad, we be comin' at ya!

I squashed & killed 9 cockroaches outside today! That was my therapy! How 'bout you!
