THE GAMING LOUNGE

The hokey pokeys are plugged in & running. They are all ready & waiting for you to get the big payouts!

We have been gifted 7 chairs for the patrons use in the Gaming Lounge from the

HERVEY BAY RSL.

We thank them for their generous gift. They have also gifted some bar stools which are great too.

DRESS CODE

Smart casual, no thongs, sandals are ok in club house. No tank tops, the details are posted & in Fixtures book, please make sure you follow the ruling so thereby causing no embarrassment to you or our staff.

VALE

It is with deep regret we announce the passing of Karen Philpot sister of Kerry Styles
Karen passed away on 16th May 2021

SICK BAY

Max Fenn has had his knee operation & is on the mend. He will be back as soon as possible!

JUNE BIRTHDAYS

Mike Dally	03	Lorraine Drew	24
Mac Adlam	13	Marilyn Allen	24
Ruth Robbins	15	Fred Goodall	25
Kerry Styles	18	Bruce Noble	26
Peter Cunningham	12		

Happy Birthday Boys & Girls with many more to come

THE 19th HOLE CAFE

is now open & ready for bookings.
Commencing on Friday 21st May
Bar opens 5pm Meals 6—8 pm
A scrumptious roast of
Pork or Beef for \$16
& desserts for \$4 awaits you.
The meals will be cooked to perfection by
*Chef James of the
Fraser Coast Wood Fired Ovens.*
*The Bar opens at 5pm
with meals from 6pm to 8pm*
Bookings are being taken now, please see
Danielle or phone 4129 4099

A trial run of the Friday night meals was a great success when **Phil & Kylie Kennedy** were farewelled.

47 people made it and were extremely happy with the meals.

CONGRATULATIONS
CHRIS and MAX FENN
who have celebrated 50 years
of wedded bliss

Well what a day was had by our group on Vets day. It started out ok we figured this is gunna be good. Wrong, first off me & me mate Stretch hit the wrong ball so when we ended the 9th with a 6 apiece we were happy, but it soured somewhat when after the hit off on 10 we discovered the error of our ways, Dang that made our 6 turn to a nasty 8. Not over yet, the next thing to happen was as a group we all had an air swing. This is where we will bring Merle Vandersee in, she started it & we followed. But not Chris Bush, oh no he was having nothing of it other than to tell us what penalties we were getting. There were trees, bunkers, water & oob all good fun!

Mike Drew saw Marilyn's taxi arrive only to see it get bogged he thought. He tried to get a crowd to help push it out. No one was buying that lot. Could be it was Tony's 15 tonner. It is one helluva golf cart carrier, yessirree!

The profiling has been well received at least no complaints so far. It started with fun antics of Stretch & Nobby & has blossomed to take in a few more. Everyone will get a serve.....I mean a mention, so just sit back & wait your turn. It is for the serving Committee members & others who are toiling away in the background so you know who we are & what some of us are up to!

Chris Bush had a magnificent day on Sunday he won the day with 43points, good one Chris!

Me meself birdied the 8th, was I chuffed, you betcha. Covid shot caught up to me not long after.

Another fun group in the club house the laughter & shenanigans are back to normal.

The wall has been installed & looks terrific, great work **John Francis**, very impressive. It makes the auditorium look very grown up now! John Horwood has claimed his seat near the wall.

All stories are printed in a light hearted manner, they should be taken in that context. This publication is meant for the fun & enjoyment of all members & no offence is ever intended. CB.

DAMN DAM

Merle Vandersee went in from the 13th. Buddy Lohmann went in from the 4th, his mate Grahame Burgess went in from both the 4 & 13th just to prove he could! Chris Fenn went in on the 6th & did it again from the 5th fairway into the 4th dam. Ray Suter went in from the 5th! Chris Fenn has quite an attraction to the dam on 4 she was in there again!

HOWZAT!

Greig Pullinger was checking out all the out of bounds on 1/10 & 5/14.

HOW MANY

Merle Vandersee wouldn't tell me what she had on the 13th but at a guess it had to be better than a Bo Derek! The trees, the bunker, the putts!

PUTTS

 Tony Borg had 5 or was it 6 putts on the 5th. Yep, can understand that! It is a record methinks.

Hold the phone, John Horwood has made a late run to match Tony's 5/6 putts. No, the record stays with Tony, John only had 5 putts.

Chris Fenn had a 4 putt. It wasn't her fault, it was the wind! June Kerr had 4 putts, so did I! Not worth a mention really after the last 2's results., 

CHARITY BEGINS WITH A TAB!

Greig Pullinger is collecting the ring pulls from cans for a very worthy cause. The tabs are collected & sent to Darwin to make Prosthetic Limbs for land mine victims. Greig has collected thousands or in some cases kilos of them. Great job Greig.

It would help immensely if you could leave yours on the table for him to collect.

Our Club is NOT a bring your own booze course. So we would appreciate it if you use the drinks shed & sign the honesty book for the drinks you take.

Mike Drew was coming back from the cart sheds with both hands full one was a container & one was an electric jug. I said are you going to make coffee? Mike broke down & said I was having a tea party & no one came!

Kevin Leader informed the gathering before the Vets competition that he had some very sad news to tell us. He was very emotional & the crowd went quiet not knowing what to expect. He then told us in a faltering speech of his tragic news. By this time we were all feeling a little uncomfortable so we were glad when he started to tell us what it was all about. Kevin said that he lost a very good friend.....his beer fridge! He said it had died the night before & asked if anyone had one to spare. It took a while for it to sink in but sink in it did! We have taken up a collection for Kevin's passage on any Covid ship **leaving** Australia!

A certain person had a flutter on the pokies, put \$5 in won \$65 & he said that's it, thank you! A good win eh Nobby!

The gaming lounge looks so good, might have a flutter myself. I need someone who knows how they work to show me though!

I must say the amount of work & the interest of everyone in making the Club stand out both inside & outside has been outstanding. Our members are doing themselves proud. When you look around & see what the Committee is doing it has to make you all very happy with how Our Club is travelling!

Stretch has plans to put a bit of colour around too with planting. It is so good to see people taking an interest in their surrounds. So proud of you all.

The ladies were really put under pressure on the tees due to the placement of them. Apparently the tee markers have been dug up or covered in grass. They need to be uncovered so those who are setting pin shots & tee markers have an idea of how far to go back. We were playing off the men's tees for the most part. We have a 0-45 rating & we have one division. The May Monthly medal was totally unfair & we would expect it to be rectified in the very near future.

The Committee will be rectifying this situation so it doesn't happen again. We are on the job!

WORKING BEE

The tired old fence is getting a makeover with Neil Clarke stripping it down.

A lot of work was on the cards to paint the fence at the front of the Club House. It had to be rubbed back & repainted. Taking care not to rub it up the wrong way!!!

The fence looks good many thanks to the 3 Picassos, Ian Anderson, John Horwood, Kevin Leader and the water blasterer Neil Clarke.

PROFILES

4

Next profile is another great club person who knows a thing or two and has been a long term member, his name?

PETER GRIFFIN - PRESIDENT

Peter or as he is fondly called **GRIFFO** has been a hands on member for many years always there for working bees, working on the fairways, in the shed for any mechanical issues.

He was instrumental in having the wood chip spread on the cart paths and more than that he has a level head when dealing with issues in the Committee Room. His input is always constructive which is a plus. Griffو had been at a loose end but now has a purpose in life which we are all very happy about. Peter is also a Match Committee representative and does the job with insight and fairness.

MIKE DREW - TREASURER

Mike is responsible for a lot of the behind the scenes work as are a lot of your Committee members, doing what is necessary to make things run smoothly.

He is checking facts and figures one minute and cleaning toilets the next. Yes, that is right, he is also a great Club Member who doesn't mind getting his hands dirty!

We all owe Mike a debt of gratitude because without his steerage who knows where we would be now. We were totally in the red and just floundering until he took the reins. He is a financial wizard with everything on show at all times. We are totally in the black owing nothing now, all bills are paid up. Mike joined the Club when it was needed and it was a good thing to happen in many years. Others will all be profiled in the coming months.

Next profile is another great club person who knows a thing or two and is also a great member.

His name?

ANDREW PULSFORD - CAPTAIN

Andrew has taken to the job of Captain when no one else would. He was thrust into that position when both the previous captain & his vice captain resigned. It has been a learning curve for our school teacher. He has gone from kindergarten to high school and university in one hell of a hurry. He has tried different ways of doing things, not always successful, but as he says if you don't try you don't succeed. He is also a member of the Match Committee. He likes to include everyone in the decision making which is a vein that runs through this Committee. Some are willing to give him a go and some are not. He tried to let the women know of what his ideas were with a disastrous effect by some who did not want to listen. To those that did, congratulations for showing Andrew the courtesy of at least being able to speak. We got past that glitch & things have now settled down, at least maybe. Andrew is a good Captain who just needs a bit of air to find his feet. Andrew stood up when no one else would, remember that!

JOHN FRANCIS - VICE CAPTAIN

We had a hard time finding a vice captain until John put his hand up. He is taking to the task pretty well and with more hands on will learn the ropes. John is also very handy and is at the moment in charge of doing a false wall between the pokies and patrons. He has done a lot of work around the club house, the display cabinet for the golf clubs donated by Doc being just one. The wall has been finished and is terrific, it has given the auditorium a wonderful feel. Great work John.

Every member of your Committee is & should be working on your behalf to make our Club the best it can be. So far I think we are succeeding, how about you!

All we need is your support to make it happen.

His name?

BARRY SPONBERG - VICE PRESIDENT

Barry has thrown himself into the position with gusto. He loves a challenge and boy hasn't he had some! Barry prefers to work in the background nutting out any problems and fixing any problem before the wheels that keep the BDGC moving forward becomes a major issue.

He did a lot of work on the Constitution to bring it up to date and he is also an excellent Committee man even if he had to be pushed to take the job!

He doesn't waste time on how or if, it is more of ok let's get on with it, now.

Next is

JOHN SHORT

John Short is a man of few words but if you do the wrong thing he will let you know. He is not a man to go on too much but he expects everyone to follow the same rules he does. So do we all. John is a fair minded man and that is what is needed on any Committee and as a Match Committee representative it is imperative. He is available to help out in whatever capacity is needed, which includes mowing and he is also a great gardener, his vegetables are the best.

Next is me;

CAROL BENNETT

I have enjoyed doing the Newsletter for some years now, but have really enjoyed this year more so because we have a really great team. I enjoy working with everybody and hope to do it for some time to come.

GROUND STAFF; KEVIN BIRD, IAN BRADY, JOHN HORWOOD, CRAIG

KEVIN BIRD is a whizz with the fairway mowers, you can usually see his vapour trail before you see him! He is known for his humour and he really knows how to cut grass. Kevin has been doing the mowing on his own while some of his compatriots have been off holidaying & having a great time. Doing a great job Kev!

IAN BRADY runs the Saturday morning competition as well as taking care of the greens mowing, he also did a lot of work in the Club House, check the bar area. Fantastic work. So I guess he is entitled to a holiday. Ian is a well grounded person who is a great asset to the Committee his knowledge from the building trade comes in very handy as well.

JOHN HORWOOD is next he takes care of whatever anyone wants from emptying the bins & sorting the bottles & cans to working bees. When he is at a meeting he scares everyone with his many questions for the committee! John is someone who says what he thinks, he is a fair minded man who hasn't got a spiteful bone in his body. People like John bring the opinions of the people who work and play to the Committee room. He never takes a backward step, & is a very honest man, what you see is what you get.

CRAIG has stayed has stayed on volunteering because he wanted to be able to help out whenever he can and he is a great help to the other men. What a great attitude.

***Every member of your Committee is working on your behalf to make our Club the best it can be.
All we need is your support to make it happen.***

Next month is the Vets turn Plus 1.

FAREWELL

Two of our members are off to the Townsville area in the North of QLD, apparently things weren't hot enough for one of them! Phil & Kylie Kennedy have decided to up stakes for new sights. Phil has been a great member of the BDGC for many years, he has been instrumental in a lot of forward thinking ideas he got the Pro Am to Burrum, there were always great crowds when he was in charge. He also organised a reciprocal trip every year to Mitchell & brought the money into the Club.⁶

We had many trips away under his guidance, a particular one was Kabi at Kin Kin? No matter the name we had a great time. The course was on an orchard, true, we were put up in shearers quarters at the local pub. What a great weekend. The driver of the bus had been selected so we were in good hands until we realised he was as full as a goog on the way home, but all was good we were serenaded by John Schafer & his trusty guitar. We arrived back at Boonooroo for their open day when we realised not all the gear was put in the trailer. Phil said doesn't matter it will be ok. Someone found the missing gear under a tarp. Kylie had a sensational day, she broke the course record & lost 4 shots! Those were the days.

We also had another time away to Tin Can Bay, that was a fun time too, one of the mob didn't have too great a time after too much booze, as a matter of fact he did the same at Kabi too. Everybody else had fun. Phil organised the lot & always did a great job. We are going to miss you Phil especially your mates on Wednesdays, take care, we wish you well in your new habitat, our loss is their gain.

Here is Phil with his partner in crime Chris Taylor who for many years brought a lot of publicity & money to the Burrum Golf Club. When these two got together they were like a runaway train.

The following is an excerpt from the Chronicle newspaper by Richard Harvey.

Not many Fraser Coast golfers can boast they've made the final of an Australasian golf tournament for the second consecutive year.

Not many can say they've held off the challenge from 45,000 golfers representing more than 470 clubs throughout Australia and New Zealand to get there.

Howard's Phil Kennedy and Hervey Bay's Chris Taylor can say they have.

The pair will have a shot at winning the prestigious 2004 Holden Scramble tournament after winning a regional final in Brisbane to qualify for the final at Twin Waters on the Sunshine Coast later this month.

The pair are no strangers to reaching the final of the tournament which is Australasia's largest amateur teams event.

They were in the Burrum District Golf Club team which contested the 2003 final at the Gold Coast's Royal Pines Resort.

The Burrum team was only the second from the Wide Bay District Golf Association to reach the national final in the 10-year history of the event.

Burrum finished 11th overall out of the 32 teams contesting the 2003 final.

Extras; 26 Saturday - Foursomes

FROM THE BUNKER

PREFERRED LIE

When a player's ball lies in a part of the course marked as fairway on which he/she is playing, the player may take free relief (preferred lie) for a distance not exceeding one (1) card length no nearer the hole being played. The player must mark the original spot before lifting the ball and after the ball has been placed it is in play. (See Rule 9.3, Rule 14.1, Rule 14.2b (2) and Rule 14.2e)

BARE PATCHES ON FAIRWAYS

Bare patches on the fairway you are playing can be treated as;

Abnormal Course Condition (GUR) and free relief can be taken
in accordance with Rule 16.1a & Rule 16.1b

BARE PATCHES OFF FAIRWAYS

No free relief can be taken from this

Abnormal Course Condition in areas other than fairways.

However a player may declare his/her ball unplayable anywhere on the course & take relief under the options afforded by Rule 19.1 & Rule 19.2 with a stroke penalty.

Stretch & I had a learning curve when we both hit each other's ball we both copped a 2 shot penalty on top of our score.

TEASER

7

What is the difference between a bell and a ball?
Answer? Ask Andrew & Barb!

Peter Hughes is one of the biggest hitters in our club & he showed it on the 4B Ambrose. Not only can he get good distance but he has a happy knack of staying on fairway, most of the times. One drive in particular had his ball almost burning up going down the 8/17. Lucky for some he doesn't usually play Sundays!

His off-sider Grahame McKissock isn't too bad either but Gra Gra takes care of the short game, good combination there. They could be the next Foursome Champions!

PIALBA AUTO ELECTRICS

The Saturday morning boys organised Pialba Auto Electrics to provide some reconditioned batteries for our old hire cart.

They also said they will provide a good deal for any club member for their batteries, just mention the club.

Wow how good is that!

Many thanks it is very much appreciated.

BALLWASHERS

We have new ball washers on the course ready for your use with compliments from your Committee

There is one on the first & one on the 7th.

Allan McGeorge didn't wait to use a ball washer he just put his ball into the dam on the sixth from the 15th tee.

Neil Clarke & Brett Weatherly had fun on 5 & 14 taking 12 to get to the hole both times! It happens!

THURSDAY LADIES - MAY
