CHOOK RUNS ...CONTINUE THROUGH

All Club competitions will continue with social competitions until programmed competitions recommence in February 2022

The Main Committee met for the last time before the AGM & have decided to not put up a Club Person of the Year because there are too many to choose from. Not many clubs could boast of this but we have such a lot of people who could quite easily accept such an honour. But as we have said there is too many club members to choose from. In this Newsletter there is a list of achievements that have been undertaken by this hard working Committee. The Committee have turned the finances around with Mike Drew & Neil Clarke leading the charge and together they have achieved so much in such a short time. So grab a coffee, a comfy seat while reading this so you know exactly what is happening in your Club.

The By-Laws have been finalized and ratified in conjunction with Golf Queensland. If you wish to have a hard copy you may get one from the Bar Manager, Danielle.

VALE

Our commiserations to Francis McGovern & family on the sad passing of his brother recently.

Golfing generally

1. The development, adoption and ratification of the club's new constitution and by-laws.
2. An increase in the amount of sponsorship as well as the number of sponsors.
3. An increase in the number of members with the subsequent increase in player numbers and the reintroduction of the afternoon chook run.
4. The club is garnering greater recognition in the community through its well designed website, the advertising in local newsletters and through the use of strategically placed notices.
5. The development of a newly designed and easier to read fixtures book.
6. The production of new score cards for use in both social golf and competition golf as well as chook runs.
7. The refurbishment of the original hire cart and the acquisition of a third hire cart.

Course improvements

1. New hole signage and accompanying advertising signage.
2. The installation of two new ball washers and the refurbishment of the existing ball washer.
3. The removal of the dilapidated barrier nets and the installation of new barriers in line with modern golf courses.
4. The refurbishment of the shed at the 3rd hole tee box.
5. Undertaking a tree safety audit and the removal of dead trees and branches wherever necessary. The removal of trees on the 1st fairway so as to widen it in preparation of the development next door.
6. The improved standard of the greensand fairways.
7. The installation of the solar pump for use when transferring water from dam to dam.
8. Updating and modernizing the automated greens sprinkler system.
9. Thanks to the VETS for all the painting they have undertaken to brighten the garden and the club-house surrounds.
10. The installation of the rear gate and the replacement of the sand receptacle in front of the club-house.
11. The commencement of the refurbishment of the rear section of the men's 9th tee box.

Club house

1. The acquisition and installation of new electronic gaming machines (EGMS), the required gaming consoles for the EGMS along with the associated EGM stools.
2. The construction of a proper gaming lounge to accommodate the above acquisitions.
3. The acquisition of new bar stools and dry bars on the verandah.
4. The replacement of the small deep fryer, update of the bain marie and the refurbishment of the large oven and stove.
5. The reintroduction of Friday night meals.
6. The acquisition of the following:
 - a. refrigerator in kitchen.
 - b. large screen television
 - c. glass washer for the bar
 - d. laptop and printer for use upstairs
 - e. mobile phone
7. Installation of an air conditioner in the downstairs office.
8. Updating the honour boards and arranging for the display of the perpetual trophy collection.

— continued next page

Financial

1. Once again, the club has been able access several grants amounting to approximately \$9,500 for specific purposes which have paid for much of the foregoing.
2. The club currently is awaiting responses for grants we have applied in respect of the following:
 - a. refurbishment of the clubhouse.
 - b. purchase of new greens surround mower.
 - c. smoothing and top dressing the 4th and 5th fairways.

Whilst the club as applied for these specific purpose grants there is no guarantee they will be approved.

3. The club has also been able to sell some of the obsolete machinery which had been unused for many years.
4. In October of 2020, the club's books of account were transferred from Quickbooks to Quickbooks Online. Thereby allowing the books of account to be maintained on any PC with Internet access. Previously the books of account were maintained on a single PC.
5. As a result of moving to Quickbooks Online we were able to perform a bank reconciliation for the first time in many years. This is now undertaken at the end of each month. The auditors were very pleased with this development.
6. The club has also moved to pay most of the invoices it receives by direct debit and have instituted the use of a VISA debit card to pay for most out of pocket expenses that members are called on to pay on behalf of the club.
7. Appropriate checks and balances have been instituted as per the auditor's requirements.
8. A system has been instituted to monitor all movements of kitchen and bar stock to eliminate and illuminate any discrepancies.
9. Donating a bursary each to the top student at Howard State School and Torbanlea State School.

There you have it people, all the List of Achievements that the Committee of 2021 have delivered.

Many thanks to the Committee for this article.

Proper Planning Prevents Poor Performance!

To you all from the Committee of 2021!

MELBOURNE CUP DAY

CLASS OF 2021

ARE YOU READY!

YES THEY ARE!

Must be a good drop!

Last call for the dunny!
Might be just in time Stretch!

Many thanks for the champs
John Horwood

Lean on me!

A lot of thought went into this outfit!

Cathy won best hat & outfit.

Where's Wally

Shirley won best dressed cart, her horse went nowhere, it kept falling over!

This lot have connections in the magic millions???

Chris Bush is back! Welcome home Bushy!

We had a fun day even though it absolutely poured down, we were like drowned rats but we got the front 9 in.

Stretch said we have used every dollar taken in today except for \$2. Buddy Lohmann said who got the two dollars then!

Speaking of Buddy he birdied the 6th, chipped in for no putts. Very noice. He's trying to compete with wife Mel who is an Ace bowler her group ran 3rd in the Aussie championships recently. Good one girls.

Les Bennett had a good day birdying the 3 & the 12th & also the 6th. He also won the day! I taught him everything he knows!

My gosh doesn't the course look great. The men are doing a wonderful, no, a stupendous job. The greens are excellent if you can't putt them it is your fault! These men are there putting in the hard yards every Monday & doesn't it show. Ian Brady is in consulting mode with James from Fernland, a great combination!

Peter Griffin is also having back trouble, take a word from the wise & get it attended to as soon as possible. I have had sciatic nerve trouble & the pain is excruciating the only way out for me was a nerve block.

Heather Steven, wife of Ken, aka Sarge is having a battle at this time. We send our best wishes to them both.

A funny thing happened on the way home on a Sunday we were driving down the club road when I noticed something outside keeping up to us.....it was Paul Johnson flooring his cart laughing like mad, what could we do but put the foot down to shake him off! It was so funny good one Paul, a great end to a fabulous day!

Paul also had an Eagle on the 2/11 hole on a Wednesday, congrats!

21 hardened Vets showed up to play even though the weather was ominous. We played a social 9 holes most of us stopped, but there were some who carried on in the torrential rain. We will send them some get well cards in the future!

Barry Sponberg & Neil Clarke decided to share a cart, as Barry said they are two invalids together. Les said you might've been better off booking an ambulance between you rather than a cart! And watch out on the 1st & 2nd fairway! It can be a killer!

Barry & Neil made it back in one piece, they were still laughing so no damage done!

Now our team of Bushy, Stretch & Les had some wild times, for starters Les didn't get past the ladies tee on our first hole 5th, he barely made it with his second shot. We all had fun with the 12th by wiping it. Didn't want the damn thing anyhoo!

Stretch had a brilliant shot off the 2/11 tee except we lost it everyone had the ideas but not the right one! We found it up in a tree, it appears it hit a root & shot ever upwards to the top of a tree. Was Stretch happy, you betcha! I told him we should just play for handicap. That didn't work either!

The Chook Runs had a problem with the rain it washed out most of the games for most of the hardened few. But 6 played anyway! They not afraid of the wet stuff!

There was a great day had by all on the Advice sponsored day, there was even some NAGA awards, Andrew call it the Bradman Awards because he is a nice bloke. We were happy to accept them goodness know we weren't going to get anything else....except Bushy he got a runner up. The meat trays were really worth going for too! Thanks to the firm of ACTIVE CENTRE who were CLM Accountants before the name change.

Stretch said once he couldn't pronounce accountant but now he is one! He is such a character & a fungi! Oh, I mean a fun guy!

Good times are still rolling!

**PLEASE MAKE SURE YOU
CHECK IN ON ARRIVAL AT THE
CLUB. THERE IS A LARGE FINE
ON OFFER IF YOU DO NOT!**

Inside and Out

It has been suggested that we should get with some other golf clubs like Proston to have an unusual day reciprocally. It is a play in the nude day, yep you got it. It has been advertised as such.

What's your thought on this? I

think our finances are in good stead so we won't need such a gimmick & if you pardon the assumption there would not be a nice enough bum like in the picture. I vote no!

Now before you all get excited it is a joke Joyce!

What a great was had by all on Melbourne Cup Day, some dressed up throwing their inhibitions & a lot more to the wind! To those who did, thanks for the fun, to the others.....maybe next time!

We had lots of prizes on offer, sweeps, raffles, and a huge hamburger to boot. Thanks to the ladies who made sure everyone was fed, Cathy Francis, Phyllis Cooper & Lorraine Drew. These ladies are always on deck to help out. This is Phyllis we never seem to capture her

but we got her this time. I did tell you I keep these pictures in case of need! Thanks Phyllis!

It was a great day the best Melbourne Cup since Bill Long used to put them on. Lots of fun & laughter, the old clubhouse was rocking! The golfers were having a ball out there too at least our team was! I got a bit worried about Shirley Bullock & her partner Brian Bramble when they started to ghost walk (shuffle dancing) off the 7/16, actually it was so much fun looking Les & I followed suit. A great time was had. Les took care of the long shots & I took care of the putting. Shirley took care of all the shots because Brian turned into a bird dog he kept going up a tree! Not exactly right but close. How's the shoulders Shir!

Neil Clarke was very quiet, it's his back you see. It has been giving him a devil of a time. Hope it comes good soon we all know how painful it is.

***Silence is Golden,
Duct tape is Silver!***

There were 36 players at the Melbourne Cup Day plus 3 extras with Cathy Francis, Phyllis Cooper & Neil Clarke doing the sweeps due to his back injury.

I have been told Peter Hughes is back & can see clearly now!

Stretch paid the price of a sensational score when he won with 43pts. He lost 2 strokes!

Well kids it's that time again.....AGM date & time on front page, to pick who you want to lead the Club for the year 2022. It is up to us all to pick who will be the best people for the job! John Francis & Les Bennett never got past the ladies 5th tee. The usual excuses were heard, it was the trees etc!

JF felt a breeze around his nether regions & found that he had left the barn door open!

He also had a devil of a time getting that little ball into the hole. Round & round she goes!

Brenda Johnson had so many 4 putts it nearly killed hubby Phil! Phil said he doesn't hate anyone enough to get them to play with her! You will pay for that Phil.

Someone put a box of matches on Sarge's cart. Their may be a message there somewhere. I know someone who would've like to set him & his cart ablaze.

Now we won't name names but I have the following on good authority, one male member had cart trouble, so a female member decided to lend a hand by pushing him to start his cart. All good so far. But the inconsiderate so & so blithely took off down the fairway leaving the damsel in distress when her cart stopped after hitting water. She had to hail down another player to give her a hand to get her cart going. No, this lady didn't put the matches there.....this time.

Tony Borg came to Sarge's rescue by lending him his cart. It worked, Sarge came in a winner, Tony might not get it back!

LAUGH FOR THE DAY— THINK ABOUT IT

The US federal government, which has “Tomahawk” cruise missiles and “Apache,” “Blackhawk,” “Kiowa” and “Lakota” helicopters—and used the code name “Geronimo” in the attack that killed Osama bin Laden, officially objects to the name of the Washington Redskins.

While stitching a cut on the hand of a 75 year old farmer, whose hand was caught in the squeeze gate while working cattle, the doctor struck up a conversation with the old man.

Eventually the topic got around to politicians and their role as our leaders.

The old farmer said, "Well, as I see it, most politicians are 'Post Turtles'."

Not being familiar with the term, the doctor asked him what a 'post turtle' was.

The old rancher said, "When you're driving down a country road and you come across a fence post with a turtle balanced on top, that's a post turtle."

The old farmer saw the puzzled look on the doctor's face so he continued to explain. "You know he didn't get up there by himself, he doesn't belong up there, he doesn't know what to do while he's up there, he's elevated beyond his ability to function, and you just wonder what kind of dumb arse put him up there to begin with."

Best explanation of a politician I've ever heard

**CART SERVICES & REPAIRS
DALE CHILLCOTT**

Mobile Repairer

PH: 0419 713 291

Dale is a mobile repairer which means just that, mobile, he comes to you. If you need help his number is above.

Could this be the new Monthly Medal shirt? >

Stretch said his daughter Kasey-lee made the horses head using false teeth, he also said the horse had better teeth than him! Great job Kasey-lee!

WORD FROM THE WISE?

I'm passing this on because it worked for me today. A doctor on TV said that in order to have inner peace in our lives, we should always finish things that we start. Since we all could use more calm in our lives. I looked around my house to find things I'd started & hadn't finished. I finished a bottle of Merlot, a bottle of Chardonnay, a bottle of Baileys, a bottle of wum, the remainder of Valluminun scriptins, and a box a choclutz. Yu has no idr how fablus I feel rite now. Sned this to all ur frenz who need inner piss. An telum u luvum.

I'm so sick & tired of my friends who cannot handle their alcohol. Last night they dropped me 3 times while carrying me to the car!

Lots of rain around, good stuff!

All stories are printed in a light hearted manner, they should be taken in that context. This publication is meant for the fun & enjoyment of all members & no offence is ever intended. C.B.

Pictured are the Sponsors of the day formerly CLM Accountants, now Advice Centre, great prizes for the winners see below & NAGA winners. Stretch-11, Jan -11, Carol -10 & Trevor-10. That was a bonus! Thank you!
 It was definitely not a Par for us! But worth the last placings.

The sponsors are Terry Lynch, Daniel Hunt, Shane Bradbury & Justin Geldart one of which is not in the picture. Thanks for putting on a great day!

The Eagle has landed!
 Paul Johnson eagled the 2/11 on a Wednesday
 Congratulations!

Birdy said stop her from taking my photo.

Birdy was mowing the fairways & he did it all in a morning. He is as one with the mower. Ommm!

He said I mowed the middle of the fairway for you & you go & go off it.

Tsk, tsk,tsk! Thanks lovely!

Head down bum up! These two have a bit of a problem here. It started with John Horwood trying to clear a fallen tree away from the drain behind the 5th green. Now as things seem to happen to our John he struck trouble, so along comes Birdy to lend a hand. That's where the good stuff ends! John decided to reverse out & got stuck in the drain. Haven't heard how it all ended but I am sure the fellas had some fun!

Sarge had a run in with the dam & lots more besides, the highlight of his day was when the rain fell out of the sky. He did have an air swing which he executed in such great style as well. So much in just 9 holes. Tony Borg wasn't much better or I for that matter but we did get some exercise. It was totally social!

on your
25th Wedding
Anniversary.

The 5th day for vets have not been included but it will show in next newsletter.

El Nina certainly turned the golf upside down, some low numbers for November. But she can't hang around forever can she?!

The Rural Fire Brigade have applied to have their breakup party at the Club house on Saturday 18th December and the Committee have okayed that.

The Friday night meals reintroduction has been a great success, they are serving 40 meals on average. A lot of foresight there, a popular venue for a meal and a catch up.

Ian Dartnell - lost on a count back award

The course is well utilized by social players which are not recorded in the statistics. Which swell the coffers immensely.

Captain Kevin sounded the horn to warn of lightning in the area. Some heeded it some did not! It was a little like this.....

Well, ok it was nuttin' like it!
